MEDME Services Corporation is a licensed durable medical equipment (DME) and billing company in the state of Texas doing business since January 2005. We have established a successful program of providing high quality DME such as Pneumatic Compression Pumps with Sleeves for the treatment of Lymphedema, Neuromuscular Electrical Stimulation units (NMES), Transcutaneous Electrical Stimulation units (TENS), Interferential units (IF), Conductive Garments and a multitude of orthotic braces for the treatment and rehabilitation of pain and injuries; walkers, wheelchairs, canes and crutches to aid in the activities of daily living. MEDME Services provides DME that will physically benefit patients while providing a billing service which works directly with the insurance carriers.

While initially specializing in the provision of DME and medical billing for Texas Workers' Compensation claims, as of March 2014 we earned accreditation with Medicare and Texas Medicaid as an accredited provider and billing facility. Therefore, allowing us to provide and bill for Medicare, Medicaid. We have also expanded our services to include personal injury, and commercial health insurance claims. We have worked hard to establish a knowledgeable and reliable reputation as a DME provider and billing service. Let us work for you.

MEDME intends to provide service to each physician, clinic, patient and customer with integrity, honesty and professionalism. We believe our company will be a benefit to you by combining the attributes of small company integrity with large corporation ability. MEDME hopes to gain your confidence and we look forward to doing business with you.
